Preparation -- Check List

Component or System	Inspect	Replace	Repair	Good-to-Go	Comments
Oil Service					
Engine					
Transmission					
Gearbox					
Gears					
Dog Rings					
Shift Fork Pins					
Shift Fork Movement					
Actuator movement					
Actuator arm / key					
Shift cable and mounts					
Pinion nut					
Reverse Idler					
Pinion retaining bolts					
Suspension Nut / Bolt					
Control arm hardware					
Push rod hardware					
Shock hardware					
Shock rod nut					
Sway bar hardware					
Front and rear control arm studs					
Pickup point mounting					
Drive lugs					
Hub bolts					
Suspension Rod Ends					
Control Arms (24)					
Push Rods (8)					
Steering and Toe (6)					
Sway bar (8)					
Shocks(8)					
Steering					
Steering rack					
Joints					
Wheel and hub					
Brakes					
Rotors					
Pads - flip in/out					
Caliper - pressure pads					
Caliper - seals and lines					
Caliper bolts - Torque					
Master cylinders					
Bleed Brakes					
Clutch					
Bleed clutch					
Clutch stop					
Master cylinder					

Preparation -- Check List - Page 2					
Component or System	Inspect	Replace	Repair	Good-to-Go	Comments
<i>Pedal Assembly</i>					
Hardware					
Brake bias					
Throttle cable					
Check for full throttle					
Throttle return spring					
<i>Electrical</i>					
Charge battery					
Battery cables and mounting					
Starter wires					
Fuel pump harness / connector					
Alternator wires and regulator conn.					
ECU and sensor wires					
CDS wires					
Radio wire harness					
Rain light wiring					
Switch panel					
GPS antenna					
Timing transmitter					
Ignition wires					
<i>Hoses</i>					
Rubber coolant hoses					
Aluminum coolant tubes					
Purge lines					
Oil hoses					
Overflow hoses					
Fuel hoses					
<i>Drive belts</i>					
Oil pump					
Alternator					
Tension					
<i>Engine</i>					
Manifold bolts					
Header and tail pipe					
Oil Pump mounting					
Alternator mounting					
Air Filter					
Heat shields					
<i>Chassis</i>					
Trunion Bolts (14)					
Bell housing Bolts (7)					
Front motor mount (5)					
<i>Drive shafts</i>					
CV boots					
Half shaft end play					
<i>Axles</i>					
Stub axles					
Wheel nuts
